

# SPONSORSHIP & EXHIBITION PROSPECTUS

## 56TH INTERNATIONAL CONGRESS & EXPOSITION ON NOISE CONTROL ENGINEERING

inter.noise

**PADOVA** - VENICE MAINLAND
22-25 AUGUST **2027**

i-ince INTERNATIONAL INSTITUTE OF NOISE CONTROL ENGINEERING

AIA Associazione Italiana di Acustica

Hrvatsko akustičko društvo
HAD
Acoustical Society of Croatia

# INVITATION TO BE PART OF INTER-NOISE 2027

The Acoustical Society of Italy (AIA) and the organising committee are pleased to host the 56th International Congress and Exposition on Noise Control Engineering (INTER-NOISE 2027), to be held in the historic city of Padua, Italy, from 22 to 25 August 2027. This congress serves as the premier international forum for experts to convene and share cutting-edge research, innovative methodologies, and practical industrial applications within the field of noise control engineering.

Italy, as a leading European industrial and economic powerhouse, offers an ideal setting for this event. By hosting the conference in Padua, a city that combines a deep and prestigious academic tradition with Italian technological innovation and a dynamic manufacturing industry, we offer participants a unique atmosphere for professional networking and scientific exchange. The conference venue was chosen for its excellence and its strategic connection to major international transport networks, ensuring easy access for our delegates from around the world.

Padua, located on the Venetian mainland, combines a historic center with open-air museums and UNESCO World Heritage sites, modern infrastructure, a high-quality conference center, and is at the heart of a wide industrial and commercial network in north-eastern Italy.

The industrial exhibition will serve as the focal point of INTER-NOISE 2027, hosted in spacious areas at the junction points between the primary halls and the lecture rooms of the Padua Congress Center.

As the technical expertise and innovations of industrial manufacturers are vital to the Noise Control Engineering program, the exhibition space and program management are designed to maximise engagement and interaction with participants.

## EXHIBITION SPACE

The booth setup is flexible, with various size options and the possibility of customisations suitable for organisations seeking enhanced visibility. The booths will be located in several areas of the central part of the Padova Congress Center, close to refreshment points, lunch areas and the poster area.

## TECHNOLOGY DEMONSTRATIONS IN THE COURTYARD OF THE CONGRESS CENTER

The large open spaces in front of the Congress Center can host technological demonstrators and special installations, particularly oriented towards companies wishing to carry out live demonstrations of their products and technologies.

## NETWORKING OPPORTUNITIES

To facilitate continuous interaction between delegates and exhibitors, all refreshment and lunch points will be hosted directly within the exhibition area, together with the poster area.

## DEDICATED EXHIBITOR WORKSHOPS

Specific time slots will be offered for exhibitor workshops, which do not overlap with the scientific program, allowing companies to showcase their latest advancements.

## EARLY-CAREER MARKET

A structured session will facilitate "job dating" through pre-collected curricula vitae and designated meeting intervals.

## INTERACTION WITH PARTICIPANTS VIA MOBILE APP

The congress mobile app will be optimised to boost engagement through live leaderboards, attendee check-ins, photo contests, direct exchange of contacts and information, and more.

## BEYOND THE CONGRESS: THE INTER-NOISE 2027 SUMMER SCHOOL, WHERE THEORY MEETS PRACTICE

This Summer School offers a unique, intimate setting for doctoral students and early-career professionals to transition from "listening to the science" to "applying the solution." For two days, leading academics and industrial partners will ensure a holistic experience in noise and vibration control, with scientific seminars in the morning and applications and case studies in the afternoon. The scientific and technical program for each day will be agreed upon and developed with the participating company.

## EXCLUSIVE VISIBILITY OPTIONS

Sponsors and exhibitors are also offered the opportunity to increase their visibility through exclusive sponsorship of specific key activities within the INTER-NOISE Congress, such as the Chairs' Dinner, the Young Professional Lunch, the Women in Noise Control Engineering lunch break, the Gala Dinner, and the student competition/poster presentation award. Additionally, you can make a contribution to support an innovative initiative for this Congress that goes beyond the traditional accompanying program: the professional childcare service and the family area at the Congress Center, open to delegates who wish to share with their families the experience of such an important event in a place of extraordinary beauty like Padua and the Venetian mainland.

# DON’T MISS THE OPPORTUNITY TO BECOME INVOLVED IN INTER-NOISE 2027!

With best regards,

**Antonino Di Bella**
Congress President, University of Padua (Italy)

**Massimo Garai**
Vice-President, University of Bologna (Italy)

**Kristian Jambrošić**
Vice-President, University of Zagreb (Croatia)

## CONTACT INFORMATION

The internoise2027.org website features a dedicated portal for selecting your preferred sponsorship or exhibition packages. For personalised assistance, please contact our partnership team at **exhibition@internoise2027.org**

# INTER-NOISE 2027 OVERVIEW

## CONGRESS AT A GLANCE

| | |
|---|---|
| **Congress** | INTER-NOISE 2027 – 56th International Congress & Exposition on Noise Control Engineering |
| **Dates** | 22–25 August 2027 |
| **Location** | Padua, Italy |
| **Venue** | Padova Congress Center (Padua) |
| **Expected participants** | >1000 |
| **Congress website** | https://internoise2027.org/ |

## Venue

Padova Congress Center is a technological, innovative, and versatile space, designed by Japanese architect Kengo Kuma and opened in 2022. It can host more than 3300 people at the same time and offers more than 5400 $m^2$ of total surface; it hosted 150 events between 2022 and 2026.

## Destination & accessibility

Padua lies 40 km west of Venice and is connected by high-speed and regional trains with Venice (30 minutes), Milan (2 hours), Florence (2 hours), and Rome (3 hours). The closest international airport is Venice Marco Polo (VCE), about 40 km away and directly connected to the Congress Center by a dedicated direct bus service; additional airports within approximately 120 km include Treviso (TSF), Verona (VRN), and Bologna (BLQ).

## Accommodation

The area offers 137 hotels (Padua and territory) with about 4750 rooms, plus accommodation in the Thermal Area with about 10350 rooms. Indicative ranges (in 2026): 4-star hotels €130–160 (single use), 3-star hotels €100–130 (single use).

## Highlights

- Distinguished Plenary Lectures
- Oral / Poster Sessions
- Exhibition
- Receptions/Gala Dinner
- Technology demonstrators
- Tours and Italian lifestyle experience

## Congress Theme

The theme for the Congress, "From the Noises of the Past to the Sounds of the Future", bridges the gap between established experiences in noise control and the emerging era of designing the sound environment as an essential component of quality of life.

These topics will be explored in depth in the sessions organised according to the four streams: Vibration & Acoustical Engineering Science, Industrial & Transportation Applications, Material, Architectural & Environmental Applications, and Human Factors.

The topics covered in the main sessions are:

- Physical Acoustics & Elastic Waves
- Measurement Methods
- Modeling & Simulation Techniques
- Vibro-acoustics & Structure-Borne Noise
- Signal Processing, Reproduction & Diagnostics
- Aero- & Thermo-Acoustics
- Active Systems for Noise & Vibration Control
- Aircraft Noise
- Urban Air Mobility Noise
- Ground Transportation Noise & Vibration
- Industrial Noise & Vibration
- Underwater, Ship & Offshore Acoustics
- Flow-induced Noise & Vibrations
- Noise & Impacts on Biodiversity
- Urban Acoustics and Outdoor Sound Propagation
- Building Acoustics
- Room Acoustics
- Materials & Passive Treatments
- Community Noise & Health
- Soundscape
- Perceptual Evaluation of Sounds and Product Noise
- Art, Music & Science
- Education & Popularization
- Noise Control & Social Sciences

## EXHIBITOR WORKSHOPS

The exhibition within INTER-NOISE integrates workshops held by companies.

A time slot is included in the main sponsors' package (Diamond, Platinum, Gold) and consists of exclusive half-day management of a suitably equipped space dedicated to communication, demos, or product testing.

This option, combined with management of workshop bookings via the conference mobile app, offers exhibitors maximum flexibility. For example, short communications can be repeated within the assigned time slot, allowing maximum participation without conflicting with the scientific program.

## SUMMER SCHOOL

The Summer School for Young Acousticians is open to a selected audience of researchers, doctoral students, and industry professionals and will take place from Thursday, 26th to Friday, 27th August 2027, immediately following the congress. An intensive program is designed to bridge the gap between high-level academic research and practical engineering solutions in the field of acoustics and noise and vibration control.

Each morning will be dedicated to advanced training modules led by international experts. These sessions will focus on the analytical frameworks and methodological rigour required to tackle contemporary challenges. The objective is to provide participants with the robust scientific background necessary to navigate the evolving landscape of acoustic engineering. In the afternoon, the focus shifts to the industrial perspective. Leading companies in the sector will host interactive workshops and presentations centred on numerical simulations, case studies, and applications.

# WHY SHOULD YOU SUPPORT INTER-NOISE 2027?

## Unparalleled global reach and networking

Inter-Noise 2027 serves as the premier platform for connecting with an international audience of engineers, scientists, and academics specialising in acoustics and vibration. This congress provides a strategic opportunity to engage with both established industry experts and the next generation of acoustics professionals, allowing you to cultivate long-term relationships with future decision-makers and clients.

## A legacy of innovation and technical excellence

For over half a century, the Inter-Noise Congress has been the definitive venue for unveiling ground-breaking research and noise control technologies. It offers a collaborative environment where industry and academia intersect to test new concepts and engage in rigorous technical discourse. Exhibitors have the chance to showcase cutting-edge solutions to a highly informed audience looking for the latest advancements in noise and vibration science.

## Multi-channel visibility and engagement

Partners can leverage a structured suite of promotional assets designed to maintain high brand recall throughout the congress. Beyond a physical presence in our central exhibition hall, the event provides integrated visibility through digital platforms and high-profile social functions.

## Meet and support promising young researchers

Supporting the congress provides a streamlined pathway to identifying high-calibre talent. Through dedicated recruitment initiatives and student-focused events, sponsors can engage with top-tier researchers and young professionals. This interaction serves as an effective pipeline for workforce development while demonstrating a commitment to the continued growth of the global acoustics community.

# DIAMOND SPONSORSHIP PACKAGE

**(maximum 2 Diamond Sponsors, with the possibility of an exclusivity option)**

## Regular fee

€ 17.000,00 (VAT not included).

## Early Bird fee

Payment before 30/09/2026 (-10%): € 15.300,00 (VAT not included).

## Exclusivity on Diamond package

On request. Please contact exhibition@internoise2027.org.

## Exhibition space

18 $m^2$ with enhanced booth exhibition infrastructure (booth separated by partitions, 2 tables, 4 chairs), electricity and Wi-Fi. Priority placement in exhibition area. Standard signage included.
*All booth customisations and graphic production must be provided independently by the sponsor and are not included in the event organisation's services. Upon request, the organisation can provide a quotation for the supply and production of such graphics at an additional cost, to be quoted separately. For this request, please contact exhibition@internoise2027.org.*

## Complimentary registrations

Up to 5. Access to the full conference, exhibition area, catering, and social activities.

## Acknowledgement as the official main sponsor

- Website (with logo).
- Mobile app (with logo).
- Program book (with logo).
- During opening/closing sessions (with one exclusive slide).

## Official sponsor logo and visibility

- Banner on conference website home page (with a link to the sponsor website; time-shared with the other Diamond Sponsor).
- Logo in a dedicated section of the website, with company name, sponsor profile, and an external link redirection.
- Logo and sponsor profile on mobile app, with a link to the sponsor website.
- Logo on all communication media inside the venue.
- Logo featured on all outgoing e-mail correspondence.
- Logo on conference badge.
- Logo on conference lanyard.
- Logo in conference bags and on-site signage.
- Logo on the slides shown during breaks in every congress room.
- Speech time during the gala dinner.
- Banners at highly visible locations.
- Promotional material in bags (provided by sponsor).
- Prominent placement in the exhibition area, conference program book, and program display.
- Advertisement in the final program book: front cover, inside page, or back cover page.
- Booth visitor tracking via mobile app: full options.
- Gamification of the booth visitor experience (reward for visits/activities with sponsors and exhibitors).
- Reserved internal car parking.
- External spaces for technical demonstrations or additional displays (set up by the sponsors, full day, subject to availability): to be quoted based on the sponsor's needs.
- Access exclusive visibility-boosting options.

## Promotional video

To be provided by sponsor. Promotional video on all venue information screens.

## Exhibitor workshop

Half-day slot. Multiple repetitions of 40-minute Exhibitor Workshop during industrial session.

SOLD OUT

# PLATINUM SPONSORSHIP PACKAGE

(maximum 4 Platinum Sponsors)

## Regular fee

€ 10.000,00 (VAT not included).

## ~~Early Bird fee~~

Payment before 30/09/2026 (-10%): € 9.000,00 (VAT not included).

## Exhibition space

12 $m^2$ with enhanced booth exhibition infrastructure (booth separated by partitions, 2 tables, 4 chairs), electricity and Wi-Fi. Priority placement in exhibition area. Standard signage included.
*All booth customisations and graphic production must be provided independently by the sponsor and are not included in the event organisation's services. Upon request, the organisation can provide a quotation for the supply and production of such graphics at an additional cost, to be quoted separately. For this request, please contact exhibition@internoise2027.org*

## Complimentary registrations

Up to 4. Access to the full conference, exhibition area, catering, and social activities.

## Acknowledgement as an official main sponsor

- Website (with logo).
- Mobile app (with logo).
- Program book (with logo).
- During opening/closing sessions (with one slide).

## Official sponsor logo and visibility

- Logo on the home page and in a dedicated section of the website, with the company name, sponsor profile, and an external link redirection.
- Logo and sponsor profile on mobile app, with a link to the sponsor website.
- Logo on the slides shown during breaks in every congress room.
- Promotional material in bags (optional + € 250,00).
- Prominent placement in the exhibition area, conference program book, and program display.
- Advertisement in the final program book: full page.
- Booth visitor tracking via mobile app: full options.
- Gamification of the booth visitor experience (reward for visits/activities with sponsors and visits to the exhibitors' booths).
- Reserved internal car parking.
- External spaces for technical demonstrations or additional displays (set up by the sponsors, full day, subject to availability): to be quoted based on the sponsor's needs.
- Access exclusive visibility-boosting options.

## Promotional video

To be provided by sponsor. Promotional video on all venue information screens.

## Exhibitor workshop

Half-day slot. Multiple repetitions of 40-minute Exhibitor Workshop during industrial session.

SOLD OUT

# GOLD SPONSORSHIP PACKAGE

(maximum 8 Gold Sponsors)

## Regular fee

€ 7.000,00 (VAT not included).

## ~~Early Bird fee~~

Payment before 30/09/2026 (-10%): € 6.300,00 (VAT not included).

## Exhibition space

9 $m^2$ with enhanced booth exhibition infrastructure (booth separated by partitions, 2 tables, 4 chairs), electricity and Wi-Fi. Standard signage included.

*All booth customisations and graphic production must be provided independently by the sponsor and are not included in the event organisation's services. Upon request, the organisation can provide a quotation for the supply and production of such graphics at an additional cost, to be quoted separately. For this request, please contact exhibition@internoise2027.org*

## Complimentary registrations

Up to 3. Access to the full conference, exhibition area, catering, and social activities.

## Acknowledgement as an official main sponsor

- Website (with logo).
- Mobile app (with logo).
- Program book (with logo).
- During opening/closing sessions (with one slide).

## Official sponsor logo and visibility

- Logo on the home page and in a dedicated section of the website, with the company name, sponsor profile, and an external link redirection.
- Logo and sponsor profile on mobile app, with a link to the sponsor website.
- Logo on the slides shown during breaks in every congress room.
- Promotional material in bags (optional + € 250,00).
- Prominent placement in the exhibition area, conference program book, and program display.
- Advertisement in the final program book: half page.
- Booth visitor tracking via mobile app: full options.
- Gamification of the booth visitor experience (reward for visits/activities with sponsors and visits to the exhibitors' booths).
- Reserved internal car parking.
- External spaces for technical demonstrations or additional displays (set up by the sponsors, full day, subject to availability): to be quoted based on the sponsor's needs.
- Access exclusive visibility-boosting options.

## Promotional video

To be provided by sponsor. Promotional video on all venue information screens.

## Exhibitor workshop

Half-day slot. Multiple repetitions of 40-minute Exhibitor Workshop during industrial session.

# SILVER SPONSORSHIP PACKAGE

(maximum 16 Silver Sponsors)

## Regular fee

€ 4.500,00 (VAT not included).

## ~~Early Bird fee~~

Payment before 30/09/2026 (-10%): € 4.050,00 (VAT not included).

## Exhibition space

6 $m^2$ with enhanced booth exhibition infrastructure (booth separated by partitions, 1 table, 2 chairs), electricity and Wi-Fi. Standard signage included.

*All booth customisations and graphic production must be provided independently by the sponsor and are not included in the event organisation's services. Upon request, the organisation can provide a quotation for the supply and production of such graphics at an additional cost, to be quoted separately. For this request, please contact exhibition@internoise2027.org*

## Complimentary registrations

Up to 2. Access to the full conference, exhibition area, catering, and social activities.

## Acknowledgement as an official Silver sponsor

- Website (with company name).
- Mobile app (with company name).
- Program book (with company name).

## Official sponsor logo and visibility

- Logo on the home page and in a dedicated section of the website, with the company name, sponsor profile, and an external link redirection.
- Logo and sponsor profile on mobile app, with a link to the sponsor website.
- Logo on the slides shown during breaks in every congress room.
- Promotional material in bags: optional + € 250,00.
- Prominent placement in the exhibition area, conference program book, and program display
- Advertisement in the final program book: quarter page.
- Booth visitor tracking via mobile app: full options.
- Gamification of the booth visitor experience (reward for visits/activities with sponsors and visits to the exhibitors' booths).
- Exhibitor Workshop during industrial session: optional half-day slot + € 2.000,00.
  *This option of booking an exhibition workshop without opting for a Diamond/Platinum/Gold package will be subject to a waiting list principle (priority is given to main sponsors).*
- Reserved internal car parking.
- Access exclusive visibility-boosting options.

# BRONZE SPONSORSHIP PACKAGE

(participation and promotion without a booth)

## Regular fee

€ 2.500,00 (VAT not included).

## ~~Early Bird fee~~

Payment before 30/09/2026 (-10%): € 2.250,00 (VAT not included).

## Exhibition space

None.

## Complimentary registrations

None.

## Acknowledgement as an official Bronze Sponsor

- Website (with company name).

## Official sponsor logo and visibility

- Logo on the home page and in a dedicated section of the website, with the company name, sponsor profile, and an external link redirection.
- Advertisement in the final program book: quarter page.
- Access exclusive visibility-boosting options.

## Promotional video

To be provided by sponsor. Promotional video on all venue information screens.

# STANDARD EXHIBITOR PACKAGE

(participation and promotion with a regular booth, placement based on availability)

## Regular fee

€ 3.800,00 (VAT not included).

## ~~Early Bird fee~~

Payment before 30/09/2026 (-10%): € 3.420,00 (VAT not included).

## Exhibition space

6 $m^2$ with standard booth exhibition infrastructure (booth separated by partitions, 1 table, 2 chairs), electricity and Wi-Fi. Standard signage included.

*All booth customisations and graphic production must be provided independently by the sponsor and are not included in the event organisation's services. Upon request, the organisation can provide a quotation for the supply and production of such graphics at an additional cost, to be quoted separately. For this request, please contact exhibition@internoise2027.org*

## Complimentary registrations

Up to 2. Access to the full conference, exhibition area, catering, and social activities.

## Acknowledgement as Sponsor

- Website (with company name).
- Mobile app (with company name).
- Program book (with company name).

## Official sponsor visibility

- Company name on a dedicated section of the website, exhibitor profile, and an external link redirection.
- Booth visitor tracking via mobile app: visitor's QR code scanning.
- Gamification of the booth visitor experience (reward for visits/activities with sponsors and visits to the exhibitors' booths).
- Access exclusive visibility-boosting options.

***NOTE: The availability of Standard Exhibitor Package is subject to the priority assigned to Diamond/Platinum/Gold/Silver Packages.***

SOLD OUT

# EMERGING COMPANY EXHIBITOR PACKAGE*

(corners and placement based on availability)

## Regular fee

€ 1.900,00 (VAT not included).

## ~~Early Bird fee~~

Payment before 30/09/2026 (-10%): € 1.710,00 (VAT not included).

## Exhibition space

1.5 $m^2$ with pop-up corner (1 table, 2 footstools), electricity and Wi-Fi. Standard signage included.

*All booth customisations and graphic production must be provided independently by the exhibitor and are not included in the event organisation's services. Upon request, the organisation can provide a quotation for the supply and production of such graphics at an additional cost, to be quoted separately. For this request, please contact exhibition@internoise2027.org*

## Complimentary registrations

One. Access to the full conference, exhibition area, catering, and social activities.

## Acknowledgement as Sponsor

- Website (with company name).
- Mobile app (with company name).
- Program book (with company name).

## Official sponsor visibility

- Company name on a dedicated section of the website, exhibitor profile, and an external link redirection.
- Booth visitor tracking via mobile app: visitor's QR code scanning.
- Gamification of the booth visitor experience (reward for visits/activities with sponsors and visits to the exhibitors' booths).
- Access exclusive visibility-boosting options.

**** To qualify for this status, emerging companies must have been in business for less than 5 years, or they must be university start-ups or spin-offs.***

# VISIBILITY-BOOSTING OPTIONS: EVENT SPONSORSHIP

Progressive discounts apply to multiple exclusive options for the same sponsor:
-5% for two options; -10% for three options; -20% for four or more options.
VAT not included.

## Exclusive Chairs' dinner sponsorship: € 3.500,00

- Date: Sunday, 22nd August 2027
- This is an opportunity to meet and engage with the leading academics and research and development leaders who contributed to the congress technical program.
- Advertising banners with the company's logo are displayed in the event area. On-site communication.
- Sponsor will be offered 2 complimentary invitations.
- Up to 60 attendees are expected.

SOLD OUT

## Exclusive Young Professional event sponsorship: € 3.500,00

- Date: Monday, 23rd August 2027
- This event is intended to help young professionals and PhD students build connections at the start of the conference and to highlight opportunities for them, particularly in terms of the industrial network.
- Advertising banners with the company's logo are displayed in the event area. On-site communication and in a booklet.
- Up to 200 attendees are expected.

## Exclusive Women in Noise Control Engineering lunch break sponsorship: € 3.500,00

- Date: Tuesday, 24th August 2027
- This is a chance to get together with other women working in noise control engineering or related fields, enjoy lunch, and chat about challenges and opportunities.
- Advertising banners with the company's logo are displayed in the event area. On-site communication and in a booklet.
- Up to 100 attendees are expected.

## Exclusive Congress Gala Dinner sponsorship: € 7.000,00

- Date: Tuesday, 24th August 2027
- Location: Ballroom of the Padova Congress Center
- Advertising banners with the company's logo are displayed in the banquet area. On-site communication and in a booklet.
- Sponsor will be offered 5 complimentary invitations.
- >500 attendees are expected.

SOLD OUT

## Student competition/Poster presentation award: € 1.500,00 each

- Date: Wednesday, 25th August 2027
- Location: Giotto Hall of the Padova Congress Center.
- During the closing ceremony, awards and honours will be given for the student competition and the best poster presentation. The company's acknowledgement and logo will be shown in the award ceremony slides in the presence of all participants.
- Advertising banners with the company's logo are displayed in the event area. On-site communication and in a booklet.
- >600 attendees are expected.

## Contribution to the professional childcare service and the Congress Center "family area": € 2.500,00

SUBJECT TO AVAILABILITY

- Activation upon exceeding the minimum threshold of applicants.
- Date: from Monday, 23rd to Wednesday, 25th August 2027.
- Location: Facilities of the Padova Congress Center.
- Advertising banners with the company's logo are displayed in the event area. On-site communication and in a booklet.
- Up to 20 children can be accomodated.

## Post Congress Summer School (one full day): € 5.000,00 (reduced fee, based on package level and availability)

ONLY ONE REMAINING

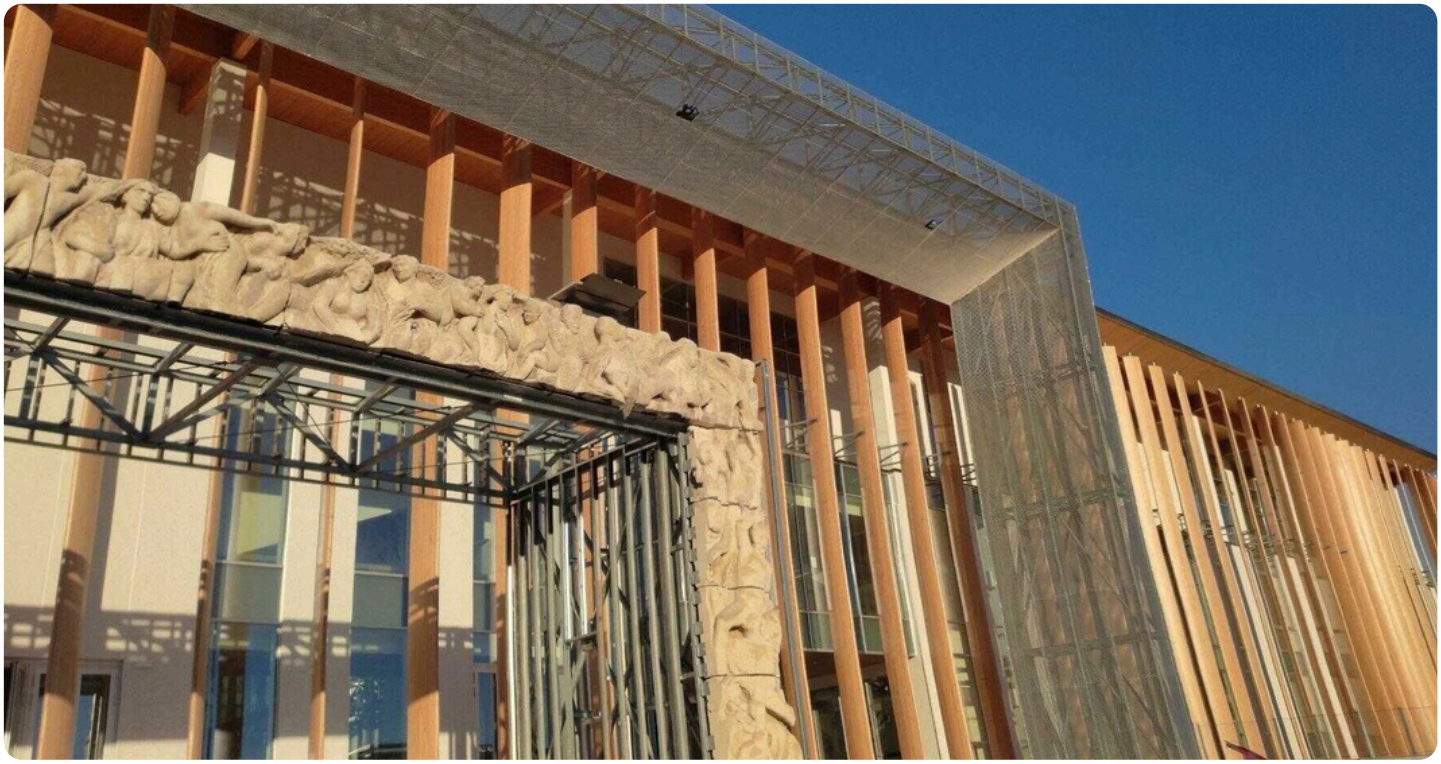

- Date: Thursday, 26th and Friday, 27th August 2027; the available date will be assigned based on the scientific program.
- The Summer School, which will take place immediately after the conference, offers interested companies the opportunity to collaborate with the organisers to present case studies and applications to a selected audience of PhD students and young professionals. Companies will have ample time throughout the day to present their solutions, actively interacting with attendees.
- Location: Engineering Hub of the University of Padua at the Padova Congress Center, or equivalent venue.
- This option of booking a full day of the Summer School with a reduced fee is only for Diamond/Platinum/Gold packages. Silver package will be subject to a waiting list principle (priority is given to main sponsors) and will be quoted based on the sponsor's needs.

## CORPORATE SPONSORSHIP DONATIONS

Minimum amount 500 €

The conference is co-organised by the International INCE and the Acoustical Society of Italy (AIA), both of which are non-profit-making organisations.
As such, Inter-Noise can benefit from financial support through donations.
The names of the donors will be published in the Program Book and on both the conference website and mobile app.

## CORPORATE EDUCATIONAL GRANTS

Companies interested in direct promotion can purchase student registration fee packages at advantageous conditions.
Beneficiaries must be eligible for the student registration fee and can be selected by the company based on transparency and publicity criteria.
Acknowledgement at the opening ceremony on Sunday, 22nd August 2027.
Advertising banners with the company's logo are displayed in the event area.
On-site communication and in a booklet.

# SPONSORSHIP PACKAGE PROGRAM

We offer seven sponsorship and exhibitor packages.

| # | Benefits | Diamond Package | Platinum Package | Gold Package | Silver Package | Bronze Package | Standard Package | Emerging Company |

# SPONSORSHIP BOOKING TERMS & CONDITIONS

- **VAT**: Where applicable, Value-Added Tax (VAT) will be applied in accordance with applicable legislation. All fees are quoted exclusive of VAT.
- **Booking and Payment Terms**: Sponsorship packages are confirmed upon receipt of a duly completed and signed Booking Form. An invoice for 100% of the agreed fee will be issued and is payable within 30 days from the invoice date, unless otherwise agreed in writing.
- **Currency and Bank Charges:** All payments must be made in Euros (€). Any bank charges, transfer costs, or currency conversion fees shall be borne by the payer.
- **Sponsor Recognition**: Sponsors will be acknowledged in official Congress materials upon receipt of the signed Booking Form. Certain benefits (e.g., logo placement, marketing visibility) may be activated prior to full payment at the discretion of the Organisers, provided that payment terms are respected.
- **Cancellation Policy**: All cancellations must be submitted in writing.
  The following conditions shall apply:
  - More than 120 days prior to the Congress: 40% of the total sponsorship fee will be retained;
  - Between 119 and 60 days prior to the Congress: 60% of the total sponsorship fee will be retained;
  - 59 days or less prior to the Congress: 100% of the total sponsorship fee will be retained.

  Where possible, the Sponsor may request a transfer of the sponsorship to another company within the same group or to a third party, subject to prior written approval by the Organisers (not to be unreasonably withheld).
- **Assignment and Substitution**: Sponsors may not assign or sublet their sponsorship package without prior written consent of the Organisers; however, such consent shall not be unreasonably withheld, particularly in cases of corporate restructuring, mergers, or internal reallocation.
- **Delivery of Sponsorship Benefits**: The Organisers commit to delivering all agreed sponsorship benefits as outlined in the Sponsorship Prospectus. In the event that certain benefits cannot be delivered, the Organisers will offer reasonable alternative benefits of equivalent value.
- **Liability and Conduct**: Each party shall be responsible for its own activities in connection with the Congress and shall exercise due care to avoid damage or injury. Neither party shall be liable for indirect or consequential losses, including loss of business or reputational damage.
- **No Guarantee of Outcomes**: The Organisers do not guarantee specific outcomes, attendance levels, or return on investment. However, the Congress will be organised in accordance with generally accepted professional standards for international events.
- **Force Majeure**: Neither party shall be liable for failure or delay in performing its obligations where such failure is due to events beyond reasonable control, including but not limited to natural disasters, pandemics, governmental restrictions, war, terrorism, strikes, or disruption of transport or utilities ("Force Majeure Event").
  In the event of a Force Majeure Event affecting the Congress, the Organisers shall:
  - promptly inform Sponsors;
  - use reasonable efforts to reschedule the Congress or convert it into a virtual or hybrid format;
  - ensure that sponsorship benefits are adapted and delivered, where feasible, in the revised format.

  If the Congress is:
  - Rescheduled: the sponsorship agreement will remain valid for the new date;
  - Converted (e.g., virtual/hybrid): benefits will be adjusted accordingly, maintaining overall value where possible;
  - Cancelled without rescheduling: the Sponsor shall be entitled to a partial refund, calculated as the total fee paid minus documented and non-recoverable costs already incurred by the Organisers.

  The Organisers shall make reasonable efforts to mitigate costs and ensure transparency in any such calculation.

**I hereby acknowledge and accept the terms and conditions set out above**
